

Support, every step of the way

REGISTERED NURSE

Wesley Urban Ministries provides ***Support, every step of the way***, including offering on-site resources to help people achieve more independent living. We currently require a part-time **Registered Nurse**.

This unique position plays a critical role by supporting individuals experiencing chronic homelessness and chronic dependence on alcohol.

Candidates will have:

- A degree/Diploma from a recognized Nursing Program
- Current registration with the Ontario Colleges of Nurses.
- Several years nursing experience, preferably in an urban core setting and/or in the continuum of addictions treatment including harm reduction, and/or concurrent disorders, mental health fields would be an asset.
- A desire to work with the target population coupled with a predisposition for learning and the proven ability to work within a team environment.
- Current CPR and Medication Administration (preferable)
- Experience working in an interdisciplinary team environment
- Excellent communication skills
- Non violent crisis intervention - first aid/CPR certification
- Candidates must be flexible to work all shifts
