Holiday Closure:

All programs will be closed **Monday, September 6th** for **Labour Day**.

To Register for Outdoor Programs:

1. [CLICK HERE](#) for the registration form.
2. Once you have sent the form, the email address you used will be sent a confirmation. Please ENSURE you have used the correct email.

Please register 24 hours in advance. Each session requires an individual registration.

If there is inclement weather, our Outdoor Programming will not be operating. (Examples: storm, thunder, hail, heat wave)

NOTE: Please see the next page of this calendar for more information on program details.

Descriptions for Outdoor Programming

Community Walk / Walk and Explore: Join us as we take the time to explore our community and learn about the place that we live.

I Spy Community Walk: I Spy a Blue Truck! I Spy a Red Bird! Join us as we take the time to explore our community through the lens of an I Spy game.

Obstacle Course: Get ready to expand your gross motor skills as we jump, crawl and hop our way through our Obstacle Course.

Scavenger Hunt: Join us for an Outdoor Scavenger Hunt as we follow our cards to find the hidden items.

Outdoor Storytime: Let's all get together and enjoy some stories in the great outdoors.

Gross Motor Skills: Come and join us as we help your children build their strength and confidence through physical activity.

Outdoor S.T.E.A.M: Spark your curiosity with S.T.E.A.M! By learning about Science, Technology, Engineering, Arts and Math we get a better understanding of the world around us and how we fit into it. Come explore with us!

Sunshine Songs & Stories: We will sing songs & read stories related to summer while comparing and contrasting all four seasons (spring, summer, fall, winter). We will provide activities that will assist children in labeling and identify weather patterns and appropriate way to dress according to changes occurring in the environment.

Art in The Park: Come join us in the beauty and splendor of the great outdoors as we create lasting winter memories during our art in the park session. Expand your creativity while you enjoy building creations with found natural materials.

Music and Movement: Join us as we celebrate music through songs, and dance. Get your shakers ready!

Music of The World: There are so many people from the countries all over the world right here in our own city of Hamilton that such beautiful music and dances to explore and celebrate. Join us for this melodic adventure that is sure to excite our inner musician skills!

Math and Me: Ever wonder how to teach math to your youngsters? Join us for our Math and Me series, where we will learn all about pre-math skills and how to get your kids on the right track. Let's learn about math outside!

Nature Walk: Families and children will explore the nature by walking to the trail and learn about the nature.

Water Play: Children are given the opportunity to explore and have fun with water and some other aged-appropriate materials like plastic sea animals, dolls, clothes, balls, etc.
