# EarlyON Child and Family Centre – 1900 Main St W

**IN-PERSON PROGRAMMING**  
**For Early Years: Ages 0–6 Years**

## Program Descriptions

**Storytime/Snuggle Up N Read:** Cuddle up and get cozy during our story time session as we discover the magic of our favourite children stories. Bring joy and excitement to all while introducing language and literacy skills through reading together.

**S.T.E.A.M.:** Spark your curiosity with S.T.E.A.M.! By learning about Science, Technology, Engineering, Arts and Math we get a better understanding of the world around us and how we fit into it. Come explore with us!

**Music and Movement/Music & Me/Music Matters:** Join us as we celebrate music through songs, and dance. Get your shakers ready!

**Rhyme Telling:** The adult/child rhyme time promotes bonding, attachment and early literacy using interactive rhymes, songs and storytelling.

**Art Attack/Toddler Picasso:** Join us as we use loose parts and create beautiful works of art together!

**My Little Art Studio:** Join us as we explore four famous artists which includes Pablo Picasso, Jackson Pollock, Yayoi Kusama and Michelangelo. Through the use of various materials and methods this session will invite you and your little one to explore your inner artist!

**Busy Bodies:** Can you grow tall like a tree? Can you fly like a bird? Join us as we explore and work our gross moto skills through a variety of different creative movements.

**Loose Parts Play and Learn:** Discover the power of open-ended materials with Loose Parts. Kids can paint, sort, stack, create and re-create. Use your imagination as your guide in this sensory based program that promotes curiosity, problem-solving and a wild sense of play.

**Little Big Builders/Let's Get Building/Be A Builder:** Do your children love to build? Come check out our building session, where we use big blocks to learn about height, length, weight and balance. The bigger the better!

**Explore the Environment:** Children are encouraged to freely explore the various play areas within our EarlyON room; math/science, sensory, dramatic play, art and manipulatives.

**Family Gathering Time:** An activity the whole family can enjoy! An opportunity to enjoy activities with other families that strengthen social engagement, team work and turn taking skills.

**Gross Motor Activity:** Let's get moving with physical literacy: running, jumping, dancing, skipping, hoola-hoops, parachute and more.

**Show and Share:** Does your child have a favourite toy or item at home? A favourite song they'd love to sing or a cool trick they want to show off? Come show us, we'd love to see it!

**Busy Babies:** Does your baby love to climb, crawl, explore and be on the move? Join us as we watch these babies use the soft climber, tunnel, and other items in our environment to get busy!

**Lego Time:** Join us as we use our imaginations and lego to build and create!
