Sponsorship Information

Wesley is a long-standing local non-profit, offering support for people experiencing poverty, homelessness, and barriers in the community. We provide programs and services to meet diverse community needs in Hamilton, Halton and Brantford.

Supporting Children, Youth & Family Programs

The Annual Wesley Open Golf Tournament is raising vital funds to support the most pressing needs within Wesley's Children, Youth, and Families programs—including Youth Housing.

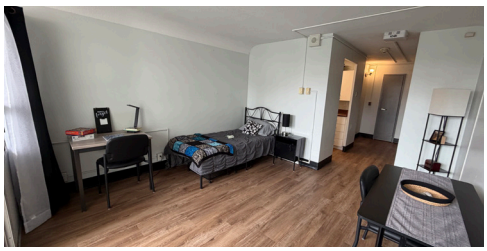

Wesley's Children, Youth & Family Services provide vital support for families and young people ages 0-25, offering programs in early learning, parenting and care, youth housing, and youth outreach supports for at risk youth.

For children, our Early Years programs include licensed child care, licensed before and after-school care, authorized recreational after-school programs, school break camps, Family Home Visitors, and EarlyON Child and Family Centres, ensuring children and their families receive quality care and early learning opportunities.

For youth, Wesley Youth Housing provides a residential program for those 16-21, homeless or at risk of homelessness, helping them transition to independent living. Additional programs for youth 13-25 focus on building confidence, skills, and career readiness through homework clubs, mobile outreach, skill development, and employment support.

Overall, our Family Services strengthen families by offering parenting support, intervention services, and connections to resources, ensuring children and youth have the foundation they need for a successful future.
